ABOUT ME

Full stack developer skilled in MongoDB, Express.js, React, and Node.js. Completed RNW full stack development course and currently in the final semester of Diploma in Computer Engineering at SSIU. Experienced in building web applications, developing REST APIs, and working with databases.

EDUCATION

2021-2022

Secondary Education
(10th Grade)

Sanskardeep Vidhya Sankul

Gained knowledge in software development, programming, and web technologies with practical project experience. Coursework covered core areas of computer engineering and modern development practices.

2023-2026

Diploma in Computer
Engineering at ssiu

Swarnnim Startup & Innovation University

Completed secondary education with a strong base in mathematics, science, and general subjects, providing the foundation for further technical studies.

EXPERIENCE

1. E-commerce Application (Frontend)

Developed a fully interactive e-commerce web application using React.js, Bootstrap, and JavaScript. Implemented product listing, filtering, search functionality, shopping cart, and dynamic user interface components with smooth navigation and state management.

2. Admin Panel & User Management System (Backend)

Built a complete backend system using Node.js, Express.js, and MongoDB. Features include full login and authentication, password reset, role-based access for admin and users, and dashboards for managing users, products, and orders. Designed RESTful APIs for seamless integration with frontend applications.

SKILLS

- React.js
- Node.js
- Bootstrap
- DOM Manipulation
- JavaScript (ES6+)
- Express.js
- AJAX / Fetch API
- Redux / Context API

LANGUAGES

- Gujarati
- Hindi
- English

SOFTSKILLS

- Quick Learner
- Adaptability
- Collaboration & Teamwork
